

INTERNSHIP APPLICATION

“Let no one despise
your youth,
but be an example to
the believers in word,
in conduct, in love, in
spirit, in faith, in
purity.”

1 Timothy 4:12

Dear Applicant,

Thank you for taking the time to consider this opportunity.

Eagle's Nest Baptist Ministries Inc. is the result of a longstanding burden in the hearts of Pastor Jonathan Edwards and his wife Chrissa. Their vision for Eagle's Nest Academy began years ago as they saw the need to help restore families and to assist in developing future Biblical leaders. God blessed their vision and made their dreams our current reality. Our intent is to be a resource to fundamental, local churches in the west by providing help and hope to families who don't know where else to turn with their at-risk teenage son. We will provide a basic, traditional Christian education, plus an emphasis on industrial arts training and other hands-on instruction designed to teach character, responsibility, and resourcefulness.

In the future, Lord willing, Eagle's Nest plans to provide a retreat and counseling center for burned-out Christian workers, a resource center for women in crisis, as well as industrial arts and construction training for missionaries. There will be many developments along the way besides what the Lord is doing in the Academy, but right now the Academy is the first priority. If you aren't familiar with our ministry yet, please explore our website at www.enbm.org.

If you're like most other young people these days, you probably have a lot going on. We understand. Camps, missions organizations, and other ministries have great needs for someone like yourself. You have a precious few years in this stage of life to be able to try different ministries and gain experience. This is one more opportunity, but it's different. It's not like anything else, and it's definitely not for everyone. We are offering to assist you with your practical education by providing hands-on experience in Biblical crisis counseling, youth ministries, and Christian education. Here you can be part of a team that loves the Lord foremost, and wants to build up godly men to be future church, community, and family leaders. Every one of our students here grows up to impact countless lives, for good or evil, and we have an opportunity to influence unlike any other. Our internship will not only provide you with hands on experience in the ministry, but will help you develop your God-given talents, challenge your faith, and help you prepare for the next step in your own walk with God.

As you take a look at this application and begin filling it out, please be praying about working here. Ask other believers you respect to join you in prayer, and seek godly counsel. Sending us your application is an expression of serious interest, but it's only the beginning of the process. We'll confirm that we received it, and give you a call to get to know you better. As we are praying and considering applicants, we understand if God leads you a different direction.

Enclosed you will find an application and brochure with some basic information regarding our ministry. Please feel free to contact us with any questions. Thank you for your interest. Our prayers are with you as you seek the Lord's will in this venture. God Bless!
Sincerely,

Greg Schnabel, Director
